

THE COLUMBIA EVENING MISSOURIAN

FOURTEENTH YEAR

COLUMBIA, MISSOURI, FRIDAY, SEPTEMBER 16, 1921

LAST EDITION

NUMBER 17

LARRY SAPP IS PRESIDENT OF C. H. S. ALUMNI

New Organization of Graduates Adopts Constitution and Installs Officers at Meeting.

BOARD MEMBERS SPEAK

Association Will Take Part in Control of Policies of School, According to W. I. Oliver.

Larry Sapp was elected president of the Alumni Association of the Columbia High School last night when about sixty graduates and former members of the high school met in the auditorium and perfected the organization of their association. The first steps were taken along this line last spring when the graduating class of 1921 completed a temporary organization which has been busy through the summer drawing up a constitution for the association.

The constitution as drafted by the temporary organization was adopted by the meeting last night with only one change. After the adoption of the constitution the four officers of the association which it provided for were elected. The officers are President Larry Sapp; vice-president, Ernest Montgomery; secretary, Duane Turner; and treasurer, Miss Hazel Hoffman.

While the constitutional committee was busy preparing the constitution and the nominating committee were selecting the possible candidates for the different offices, there were a number of short talks given by officers and former members of the school. Those who gave talks were: Superintendent W. I. Oliver, F. W. Niedermeyer, E. Sydney Stephens, Fred Dixon, and Thorpe Bauer.

Mr. Oliver in speaking of the organization of the association said: "The object of the association is to support the high school. Its principal and faculty control the policies of the school. Later you will help control the policy of the school and I for one will try to carry out your policy."

Mr. Niedermeyer, speaking for the school board said: "I'm very glad to see interest taken in forming this organization. I have been wanting to see this for some time because it is very much needed. Your organization will accomplish things which the school board wants. The school board can be informed through your organization and I want to see its success."

After the business of the organization was completed James Forsee spoke in behalf of the 1922 Class.

Six Patients Admitted to Hospital. Six patients were admitted to the Park Memorial Hospital yesterday and four were discharged. Those admitted were Ernest Fisher, Robert A. Baldry, Wilma Cann, Margaret Moore, Gus Koch and C. Jarvis Bills. Those discharged were Frank L. Sipe, Sybil Powell, John T. Ward and Ruth Sherman.

TODAY'S MARKET

By United Press.

Cattle receipts 2,000; market steady. Hogs 25 cents lower.

Native beef steers \$4.00 to 9.50. Yearling steers and heifers 4.00 to 10.00. Cows 3.50 to 10.00. Smokers and feeders 4.00 to 5.75. Calves 10.00 to 13.50. Cannons and cutters 2.25 to 3.25. Hog receipts 7,000; market 25 to 35 cents lower.

Mixed and hunches \$8.50 to 8.70. Good and heavy 7.00 to 8.25. Light 5.25 to 6.25. Light 8.50 to 8.65. Play 7.50 to 8.50. Bulk 7.50 to 8.50. Sheep receipts 12,000; market 25 to 30 cents lower. Cows \$3.00 to 4.00. Wool lambs 7.50 to 9.00.

COLUMBIA MARKET REPORT

By United Press.

Prices to Farmers: Low High. Eggs, doz. 28 30. Butter, lb. 30 35. Hens, lb. 15 18. Tomatoes, lb. .03 .06. Watermelons, lb. .01 .015. Potatoes, lb. .015 .02. Lima beans, gal. 25 25. String beans 15 20. Apples, bu. 2.00 3.00. Oranges 15 15. Mustard greens, lb. .07 .07.

ST. LOUIS GRAIN MARKET

(Courtesy of the Boone County Milling Company.)

Sept. Wheat \$1.25 1/2. Dec. Wheat 1.28 1/2. May Wheat 1.32 1/2. Sept. Corn 50 1/2. Dec. Corn 50 1/2. May Corn 56 1/2. Sept. Oats 36 1/2. Dec. Oats 38. May Oats 42.

The St. Louis market reports 232 cars of wheat received and 122 cars shipped, 95 cars of corn received and 34 shipped, 103 cars oats received and 37 shipped.

THE WEATHER

For Columbia and vicinity: Generally fair tonight becoming unsettled Saturday; not much change in temperature. For Missouri: Partly cloudy and somewhat unsettled tonight and Saturday; not much change in temperature.

Generally fair weather prevails in the country south of the Rio Grande. It is cool and cloudy north of the Ohio, and showery in Iowa and Nebraska, thence north to Canada. In the Rocky Mountains and along the Pacific coast it is fair and pleasant.

Temperatures range above the seasonal average in the central and southern sections, and they are above the freezing value in the Northwest, except Alberta. The highest temperature in Columbia yesterday was 86 degrees; and the lowest last night was 72 degrees. Precipitation 0.00. A year ago yesterday the highest temperature was 80 degrees and the lowest was 56 degrees. Precipitation 0.00. Sun rose today 5:51 a. m. Sun sets 6:16 p. m. Moon sets 5:11 a. m.

13 REPRESENT SOUTH AMERICA

Students From Sister Continent Aim to Establish Good Will.

Thirteen South Americans are enrolled in the University of Missouri. Argentina has five representatives, Brazil has four, Bolivia three and Uruguay one. The School of Engineering, the College of Arts and Science, the College of Agriculture and the School of Medicine are the popular schools with these students.

Their purpose, according to James A. Cincos of Argentina, is to establish a mutual feeling of good will between South and North America, as well as to acquire knowledge and an understanding of American ideals.

"Our ambition is to develop our country educationally and morally," Cincos said. "We haven't left our homes just for the pleasure of traveling. We want to learn, we want to improve ourselves. We want to break the many prejudices that a selfish world philosophy taught us. We think that many international difficulties fade away when we learn to know each other better. We believe in the 'let's get acquainted' policy."

PLANS MADE FOR GLEE CLUB

Board Meets and Discusses Policies For Coming Year.

The University Glee Club board, composed of Prof. H. M. Curtis, Prof. H. B. Almstedt and Prof. Hugare Major of the faculty, and R. E. McCullen and R. P. Swanson of the club, met Wednesday to discuss the policy and to outline the work for this year.

Professor Almstedt, the new director, said at the first meeting of the club that he intended to put more "glee" in the work this year. Work is to begin soon on the program for the trip next spring. Of a total membership of forty-four, seventeen are new members.

The new members are: Casper Murphy, A. D. Otto, Donald Harkey, L. M. Crough, Jr., H. H. Shannon, C. E. Bolte, M. W. Pearson, Richard Riedling, Harry Smith, Stuart Vickers, G. M. Reid, Hoyt Huff, D. Patton, R. C. Wetherell, Thomas Koppin, D. S. Warren and R. L. Casbolt.

PROMINENT GUEST TO SPEAK

Head of Missouri Bar Association Will Be Here Saturday

Col. Frank M. Curlee, president of the Missouri State Bar Association, will deliver an address on "The Origin and Principles of the United States Constitution" in the University Auditorium at 10 o'clock Saturday morning. The meeting will be held under the auspices of the Sons and Daughters of the American Revolution and will be in celebration of the 144th anniversary of the adoption of the Constitution.

The Boone County Bar Association will give a luncheon for Colonel Curlee at the Boone Tavern at 12:30 o'clock Saturday. Colonel Curlee will also speak at the luncheon.

RETURNS FROM HONOLULU

Mrs. J. D. Jameson Will Arrive In Columbia Sunday

Mrs. J. D. Jameson arrived in San Francisco from Honolulu Wednesday and will reach Columbia Sunday, according to a telegram received by Mrs. Mary E. Siler, 1217 East Broadway.

Mrs. Jameson went to Honolulu last July to assist her brother in operating a show at that place, but fire destroyed his buildings shortly after her arrival.

Mrs. Jameson will open a dancing school at 1217 East Broadway shortly after her return.

Mrs. Sherwin Visiting Sister

Mrs. M. E. Sherwin of Raleigh, N. C., has arrived in Columbia to spend the winter with Mrs. Nowell Edwards, her sister. Mrs. Sherwin before her marriage was Miss Edith Dodson of Columbia.

IRISH CABINET TO CONSIDER THEIR POSITION

De Valera Summons Meeting to Discuss Situation Following Decision of Lloyd George.

MAY ADVISE PLEBISCITE

Sinn Fein Leaders Must Choose Between Withdrawal From Present Position or Bring on War.

DUBLIN, Sept. 16.—President De Valera summoned the Sinn Fein cabinet today to consider the situation arising out of Lloyd George's action in cancelling the proposed Inverness conference.

It was believed likely when the Sinn Fein cabinet met it might recommend a plebiscite. This would mean a long delay and would give Irish leaders respite from the predicament on which it was admitted. They found themselves today faced by the choice between withdrawal from their position or bringing on war.

JUNIOR FARMERS TO MEET

Will Resemble Senior Farmers' Week Held Here Each Year.

A Junior Farmers' Week, for boys and girls, resembling the regular Farmers' Week will be started November 8, 9, and 10, according to A. A. Jeffrey, agricultural editor for the College of Agriculture. It will be given for the students of Missouri high schools and members of state boys' and girls' clubs.

During the regular Farmers' Weeks of the past the young people were not given much attention. The city was so crowded that getting a place for them to meet was difficult. Contests and entertainments could not be held for them because of conflicts with some phase of senior work. The importance of a week solely for young people was realized and has been provided for. P. H. Ross, assistant director of extension service, has been appointed director for Junior Farmers' Week, and a program as follows has been arranged:

November 8: 9:11-30 o'clock registration and room assignment. 12:30-4 o'clock seed judging contest for Missouri high school students and members of state boys' and girls' clubs; instruction for those not in the contest. 12:30-4 o'clock (concurrent), exhibits and demonstrations for club girls. 4-6 o'clock entertainment. 8 o'clock, talks and movies.

November 9, all day: livestock judging contest for students of Missouri high schools and members of state boys' and girls' clubs; instruction in live stock judging for those not in the contest. 4-6 o'clock entertainment. 7:30 o'clock, stunt night.

November 10, 8 o'clock; tour of University grounds including dairy farm, animal husbandry barns, poultry farm, veterinary building, experimental plots, athletic field and Academic Hall. The tour will be made by boys and girls organized in groups each with a competent guide who will explain each phase of University work encountered.

DR. KENT TO SPEAK HERE

Will Be Principal Speaker At Preachers' Week in October.

Dr. Charles Foster Kent of Yale University will be one of the principal speakers at Preachers' Week, to be held here October 2 to 8. Doctor Kent will speak twice each day. On Sunday, October 2, his subject will be: "Jesus' Way to Attain Happiness" and "Jesus' Appreciation of Recreation." His other subjects during the week will be: "Place of Religion in the Life of an Educated Man," "Jesus' Solution of Social Problems," "The New Appreciation of the Bible," "Jesus' Way of Remaking Men," "The Democracy of the Prophets and Jesus," "Jesus' Philosophy of Wealth," "The Dramatic Interpretation of the Bible," "The Religion of Jesus," "The Adjustment of the Church to Modern Needs," and "The Higher Loyalties."

Dr. Kent is widely known as a lecturer and has written many books on church subjects. The program of the week is really built around Dr. Kent. Dean G. D. Edwards of the Bible College said today.

TO GIVE "OLD TIME PARTY"

Epworth League To Entertain Members Tomorrow Night.

Broadway Epworth League will give an "Old Time School Party" in the Methodist Church parlors at 8 o'clock tomorrow night. Girls are asked to wear sunbonnets and gingham dresses or aprons. Boys are asked to wear straw hats, knickerbockers and Buster Brown collars.

Recess at 9:45, after which a short literary program will close the day. The teachers have been engaged and registration will begin at 8 o'clock.

Norton Smith Elected President

Norton B. Smith was elected president of the Commerce Club at a meeting of the club last night. Other officers elected are: secretary and treasurer, J. W. Perry; senior board member, James C. Drake; junior board member, John Miller; senior senator, Numa Heidman; junior senator, Paul Youmans.

LOCAL FIRE FIGHTERS ACT AS INFORMATION BUREAU FOR CURIOUS

"6-6-32"

"Yes Mam."

"Will you please send me a dozen eggs and a loaf of bread—this is Mrs. Johnson speaking."

"Beg your pardon madam, but you have the wrong number. This is the fire department."

By such interruptions of the telephone is the rather monotonous routine of the local firemen's life infested. So frequent and varied are the calls that come in, that when answering the telephone these days the firemen take down the receiver with a smile.

During one week there were such inquiries as: "How does one find the way to the cemetery?" "Who is mayor of Columbia?" "What's the price of a dog license?" "Will it rain tomorrow?" "Is Jim Jones there?" (100 times); "Where is the fire?" and "What time is it."

"People think we know everything and everybody" one of the force explained, "and it is easy for them to call us to find out about events around town. We are confused with the police department and often receive calls intended for that department."

"Many times when sending in an alarm, the person giving the alarm is excited and forgets to tell us the address. Then we are forced to call central for the location of the fire. I remember one woman called us not long ago and said, 'Hurry out here, my gasoline stove has exploded'—and then hung up the receiver before we could get the address. These irregularities make things interesting at times."

ACTOR WILL BE TRIED SPEEDILY

No Decision Yet as to Murder or Manslaughter Charge for Arbutckle.

SAN FRANCISCO, Sept. 16.—District Attorney Brady announced today that he had decided to continue the prosecution of Roscoe Arbutckle on a charge of first degree murder.

The announcement prevents the comedian from securing liberty on bail. Arbutckle's preliminary hearing here was continued until next Thursday at the request of his attorneys. He was taken immediately back to jail.

Following the hearing Brady told newspaper men that the state had gone over the evidence and believed it had a complete case of first degree murder against the comedian.

Indictment will be asked Tuesday from the federal grand jury in connection with the Arbutckle liquor party which preceded the death of beautiful Miss Rappe, Robert McCormick, special assistant attorney-general, announced today.

Arbutckle spent a restless night in his jail cell last night, jailers said.

IS CHARGED BY COMMISSION

Levin, Secretary, Claims He Will Fight Case.

SPRINGFIELD, Ill., Sept. 15.—Administration circles were wrecked by another scandal today. The State Civil Service Commission filed a charge against its secretary, I. Levin.

Levin came back at the commission, Governor Small and others in official capacity and declared he would fight the case clear through the Supreme Court. He said he will expose irregularities that will startle tax-payers. Levin was charged by the commission with neglect of duty, and an ungovernable temper as conditions unbecoming a state officer.

4-Year-Old Gets Books Daily

William Woodrow Davis is the youngest borrower from the Public Library.

He is four years old. William knows what kind of books he wants and goes to the library every day by himself to get them, his mother said. "He knows the alphabet and can count to ten. We have to read to him every night. His favorite books are animal books. Then, too, Sunday he must have his funny paper or the day is spoiled."

BEG PARDON!

Yesterday you may have read in the Evening Missourian that Edward Thatch, an employee of the Hamilton-Brown Shoe Factory, fell from the top of a 70-foot stockstack and escaped without serious injury. He didn't, for there is no man by that name at the shoe factory or in Columbia.

SUBSCRIPTIONS FOR MEMORIAL REACH \$24,800

\$4,050 More Pledged in Campaign for Proposed Student Building.

1,000 STUDENTS IN PARADE

Carried Banner Telling Their Appreciation for What Boone County Is Doing.

University Memorial subscriptions in Columbia totaled \$24,800 at 2 o'clock today showing an increase of \$4,050 over the amount raised during the first day of the campaign.

Three subscriptions for \$500 each three for \$250 and two for \$200 each headed the list for today.

As yet no report has been received from committees working outside of Columbia, but a partial report should be turned in tomorrow according to St. F. Conley, executive chairman of the campaign.

"I hope that no one will come around and say that they didn't give anything for the Memorial because no one called on them," said S. F. Conley, executive chairman, in commenting yesterday on the progress of the campaign. "In order to close the work as soon as possible we would like as many as can call at the Commercial Club rooms and leave their subscriptions."

Mary Hoek, who headed the committee in charge of soliciting Memorial subscriptions last year from University women, spoke last night in the Columbia and Cozy theaters.

Approximately one thousand University students took part yesterday in the Memorial parade, which was headed by the University Band of fifty-seven pieces. A banner saying, "We appreciate what the people of Boone County are doing for the Memorial," was carried.

THIEF TO FURNISH HOUSE

Sofa Pillows to Floor Lamps Are Loot of Local Robbery.

The police have had numerous complaints lately about the mysterious disappearance of property. Everything from sofa pillows to serving trays, a floor lamp, and a sofa pillow, Mr. Lipscomb said he thought they left in an automobile.

A rocking chair was stolen from Mrs. N. C. M. Davis of 1108 Locust street. The chair was a keepsake and had belonged to Mrs. Davis' husband. This chair was the only thing which was taken from her home. It had been in the family for a number of years and was valued because of the associations connected with it.

FRESHMEN MAY PLAY POOL

Y. M. C. A. Offers A Place For Them To Play Until Thanksgiving.

The repairs on the pool tables and the swimming pool at the Y. M. C. A. will be completed soon. These two features of the Y. M. C. A. are very popular with the students and in particular with the freshmen who are allowed to play pool here, while they are forbidden to go in pool halls until Thanksgiving.

The B. Y. P. U. and Christian Endeavor have taken advantage of the recent offer made by the Y. M. C. A. to allow all such organizations to have their business offices in the Y. M. C. A. building.

UNIVERSITY HIGH A. A. TO ELECT

Officers for its Athletic Association at a meeting tomorrow.

The officers of the Association at a meeting tomorrow. The officers of president, vice-president, business manager, secretary and treasurer will be elected last night, and at the close of the spring term went to Sedalia, where he was in the advertising department of the Missouri Centennial Exposition and State Fair. Nutter will re-enter school in the winter term.

Ideal Hero Ranges from Brawny Cave Man to College Tea Hound

The ideal man would be a paragon of virtues that no woman could ever have the courage or strength to live up to, if the dream-men of several girls can be taken as fair examples. Their ideals include individuals from the brawny cave man type to the raffish editions of the college tea-hound. None of them prefer the steady, sober, pipe-smoking individual.

Several girls said they would prefer to find their ideal man, but if he did not appear within a reasonable length of time they had no intention of being old maids for there were plenty other men hanging around who would make good substitutes. One girl in the University who had a diamond ring on her left hand expressed it in this way: "My ideal man? Well, he is about 27 years old, rather tall, with dark brown hair, and eyes that make you feel that he could be the boss if he ever wanted to. Now that's kind of funny, for I like George and he has blue eyes and I can just twist him around my finger. Oh, well, I expect George would be much nicer to live with anyway."

Another girl said that she did not want to find her ideal man for awhile, but wanted to go on with her profession. "But when I get tired of working at it," said she, "I would like very much to have some one who would take care of me and on whom I could depend, for I think that no girl likes the prospect of having to make her own living and take care of herself all of her life."

One girl with an A. B. degree had evidently done considerable thinking on the subject. "My ideal man is neither rich nor poor. You see I am neither rich nor poor and I would not want to marry a man who hasn't been used to as much as I have, nor would I want to marry a rich man for I might not be able to fill the position. I want to marry a man who is well educated and interested in his work, for I think that I could be a help to a man like that. I want to marry a man who wants to get on in the world for I could never respect a man who was absolutely content with what he has."

FORMER JUDGE KENNISH DIES

Was Graduate of U. of M. and Served as Supreme Judge of State.

Judge John Kennish, former judge of the Supreme Court of Missouri, who fell dead Tuesday afternoon at the entrance to the Commerce Trust Building in Kansas City, was a graduate of the University of Missouri. He was born on the Isle of Man, November 11, 1875, and was educated in Holt County, later attending the University. He received his degree here in 1894.

Judge Kennish was admitted to the bar in Oregon, Holt County, in 1895. His first public office was city attorney of Mound City, after which he served as state insurance commissioner, then as a member of the Supreme Court, and also as a member of the Public Service Commission last November to accept the appointment of master of chancery in the Kansas City railway receivership.

MANY ROOMS ARE AVAILABLE

Commercial Club Committee Reports Places for 1,000 Students.

Rooms for approximately 1,000 more students are available in Columbia with the present facilities, according to the report of the Commercial Club-University committee appointed to take charge of the housing situation here. The report was submitted to the Commercial Club board which met at a luncheon at noon today in the Daniel Boone Tavern.

A total of 3,118 places, including fraternity and sorority houses, were available for students at the beginning of the fall term. This does not include the homes of students living in Columbia nor does it take into consideration the number of rooms that were furnished to students without recourse to the committee.

The committee located rooms for 1,665 students, 1,115 of which were men and 550 were women. Fraternities are housing 757 students and sororities, 309. There are 287 rooms still available for students in Columbia.

Every student who applied to the committee for aid in locating a room was taken care of, according to the report. Miss Pearl Currie was appointed secretary of the bureau for rooms by the committee. The total expenses of the committee were \$196.16.

This is the most favorable report turned in by such a committee in years, according to R. L. Hill, president of the Commercial Club. It was unanimously accepted by the board and a vote of thanks tendered to the members. Dr. L. M. DeLoe, Frank Rollins, Mrs. Margaret B. Chamberlain and Leslie Cowan composed the investigating committee.

TRUCK RAMS TELEPHONE POLE IN DODGING COUPE

Damage to Cars Estimated at About \$200; Neither Driver Seriously Injured.

A truck belonging to a local dairy company collided with a coupe driven by J. H. Armstrong yesterday morning at College avenue and Broadway. In trying to miss the smaller car the driver of the truck swerved to one side and crashed into a telephone pole, breaking it off near the ground. The damage to the cars amounted to about \$200. Neither driver was seriously injured.

Charles Nutter Visits Here

Charles F. Nutter, who has been handling advertising for the American Fireworks Company, was in Columbia Wednesday visiting friends. Nutter was a student in the School of Journalism last year, and at the close of the spring term went to Sedalia, where he was in the advertising department of the Missouri Centennial Exposition and State Fair. Nutter will re-enter school in the winter term.

Law Club Elects Officers

The Alexander Martin Law Club met last night for its first meeting of the term. This club is one of the chief activities of the Law School of the University. Each week the club has moot court so each member of the club may have practical experience in prosecuting and defending criminal cases. The following officers were elected last night: Forrest Wells, president; Wade W. Maupin, vice-president; Virgil W. Bridle, secretary-treasurer; Ernest B. Hannan, sergeant-at-arms.

NATIONAL OLD TRAILS ROUTE IS INDORSED

E. W. Stephens and J. H. Atwood Are Speakers at Meeting of N. O. T. Association in K. C.

RESOLUTION IS ADOPTED

\$450,000 Subscribed for Bridges at Glasgow—\$320,000 for One at Boonville—To Build Soon.

"The coming method of transportation in this country will be by automobile and truck service because it is independent of the dangers involved in railroad strikes and corporate influence and is more convenient and accessible to the people," said J. H. Atwood in his speech before the meeting of the National Old Trails Association held yesterday in the Hotel Baltimore, Kansas City.

E. W. Stephens of Columbia, who was the other speaker on the program, gave a brief history of the Old Trails, tracing its development from its inauguration during the administration of Thomas Jefferson in 1806 to the present.

Mr. Stephens said in part: "The Old Trails is now hard surfaced from Washington, D. C., to St. Louis and half hard surfaced throughout Missouri. It is the shortest and most direct route between St. Louis and Kansas City and is a link in the great highway running from coast to coast. It passes through the most beautiful agricultural country in the world and touches twenty towns containing state educational institutions worth \$15,000,000 and having a student attendance of 15,000. It should be the first primary road adopted by the State Highway Commission as it has already been designated as the official state highway. Other highways running east and west and north and south are needed, but it is the most practical highway across the state."

A resolution strongly endorsing the adoption of the Old Trails as one of the primary roads in the distribution of the \$400,000,000 road bond issue and asking the State Highway Commission for its due consideration was passed at the meeting.

Col. T. A. Johnston of Boonville reported that \$450,000 had been subscribed by responsible persons for the Boonville bridge, that the contract would be let this fall; the bridge to be built next year.

The raising of \$320,000 for a bridge at Glasgow which will be built soon was reported by Samuel C. Majors of Fayette.

Large delegations attended the Association meeting from Kansas, Arizona, and Colorado as well as Missouri. The following Missouri counties were represented: Warren, Montgomery, Callaway, Boone, Howard, Cooper, Saline, Lafayette, and Jackson.

Judge J. M. Lowe of Kansas City presided at the meeting and musical entertainment was furnished by a glee club from Herrington, Kan.

Those who attended the meeting from Columbia were: E. W. Stephens, S. C. Hunt, N. T. Gentry, D. A. Robnett, W. B. Nowell, Sr., and D. B. Simon.

CHINESE CLUB IS ORGANIZED

Chu Hsiao Is Its First President—Kan Lee Is Secretary.

A Chinese Students' Club of the University of Missouri was recently organized. Chu Hsiao, an instructor in the economics department of the University, was elected as the first president and Kan Lee, a student in the School of Journalism as secretary-treasurer, at a meeting held at Lowry Hall last night.

For five or six years there have been some Chinese students in Columbia; but owing to the lack of a central organization, they have always been a lost tribe. They had no other connection with Chinese students outside the state than occasional personal correspondence. This, they felt, hampered their social status or prospect when they went out of the University or returned to their home country. It is this obstacle the club is now hoping to overcome.

The present organization will enable the students in the future to co-operate as a unit in the undertakings of the Chinese Students' Alliance in the United States of America, which has about one thousand young men and women of China studying in this country as its members.

ILLUSTRATES THEIR HEROISM

Mr. Severance Receives Pictures of Soldiers and Memorials.

Memorial services for American soldiers who fell in France were held in the University of Nancy last Decoration Day according to an illustrated manuscript received by H. O. Severance, librarian of the University. The manuscript contains pictures of the ceremonies performed in honor of the soldier dead, also of the monuments erected to commemorate their heroism. One monument bears the names of three American soldiers, the first to fall on French soil. They are Corporal J. B. Gresham, Private Thomas F. Enright and Private Meile D. Hay.
